

PROFESSIONAL MOTOR COACH DRIVER / GUIDE

Driver/Guides operate motor coaches up to 45 feet long, with passenger capacities of up to 58 guests in service to MTR's tour customers. Drivers must demonstrate that they can safely transport guests, while providing accurate, informative and educational narration over selected routes throughout the Pacific Northwest and Canada.

QUALIFICATIONS:

Must be at least 25 years old, a US citizen (or a citizen of any other country with the right to work in the United States), and must provide verification of authorization to work in the United States.

Must be able to work outside in all types of weather.

Must be physically able to lift and move baggage up to 75 pounds, maneuver up and down stairs, repeatedly bend, kneel and stretch, and must be able to remain stationary (sitting) for long, extended periods of time.

Must possess a valid Class B Commercial Driver's License (with all appropriate endorsements) with a clean driving record.

Must comply with all Company policies and procedures.

Must comply with all governmental regulatory requirements, including medical qualifications.

Must initially pass a test for illegal drugs and must thereafter subscribe to random drug testing at the company's sole and exclusive discretion as to frequency and timing.

Must be a team player.
